I | Eligibility

The ISF Academy Special Talent Scholarship is open to students who:

- Exhibit exemplary conduct and uphold the vision and mission of the school. Applicants should demonstrate qualities and conduct that reflect the ethos of The *Eight Virtues + One*.
- Demonstrate excellence in a sport, an art, or any other area. Excellence varies from talent to talent and the Scholarship Selection Committee will take the uniqueness of each talent into account when considering the application. Having a clear plan for the ongoing development of this special talent (e.g. through training and / or competition) is an important factor in the application process.
- Obtained good academic results in the previous three years and the interim report of the current year as stated below. Please note that greater emphasis is placed on the more recent years:
  - □ Non-Academy students are academically **meeting or exceeding grade level expectations** in their current school.
  - □ The Academy students must **be at least meeting expectations** for their Commitment to Learning in all subjects.

The Academy students must obtain the following grades:
- continue to excel in relevant competitions / exhibitions / performances etc.;
- continue to remain in good academic standing; and
- serve as a role model for the student body.

Meeting the eligibility criteria does not guarantee the award of a scholarship. In particular, the academic eligibility requirements are a guide as to the minimum expected requirements. The award of the scholarship is at the sole discretion of the school.

Scholarship recipients who withdraw from ISF without sufficient notice will be charged full 100% amount of fees in lieu of notice.

Eligibility for the scholarship to be awarded is predicated on the re-registration and return of the student in the following academic year.

Following interview, recommendations by the Scholarship Selection Committee are made to the Head of School. Decisions made on the scholarship recipients are final.
